

CPS Series

LED Flood Light 50W, 100W, 150W and 200W

- Super economy model of floodlight
- Integrative design for heat sink and housing, The LED is closely connected to the surface. The heat from the LED is removed through the heat dissipation wing and also by air ventilation.
- Aluminium alloy diecast baking varnish heat sink, clear tempered glass, ensures good heat dissipation.
- Use toughened glass and the light transmittance is about 93%.
